Thank You!

Thanks to our incredible partners, volunteers, and supporters, we delivered **over 355,000 essential items** to students in St. Louis this year.

We are committed to breaking down barriers to learning for students living in poverty through partnerships and programs that serve the needs of the whole child. Our aim is to empower students to achieve their academic goals and dreams for the future, while leaving an imprint of love and hope on young lives for whom a little bit means a lot.
