

11th Annual Music Trivia Night

Saturday, February 20, 2021

Dear Friend,

For the first time in its 11-year history, our beloved Music Trivia will be held virtually, given the uncertainty and continued restrictions around the pandemic. While we're disappointed that we won't be able to dance the night away with you in person, we are ecstatic that this annual tradition is continuing! The event routinely draws hundreds of supporters for a music and fun-filled evening like no other.

You can be part of bringing Music Trivia to homes across the city and country through sponsorship of the event or a donation for our online auction. More importantly, your support helps sustain and further a mission that is reaching 14,000 students in 42 schools throughout St. Louis. Details are enclosed.

Since our inception in 2001, The Little Bit Foundation has impacted 40,000 students in underserved communities of St. Louis with programs and partnerships that address basic needs, improve self-esteem and enrich the learning environment. Our vision is to see every student we serve graduate and go on to become productive, successful members of a stronger St. Louis region. Since the beginning of the COVID-19 pandemic, Little Bit has pivoted our programs to reach students learning virtually. We have also created the Feeding Hope program to be a resource of food for the most impacted of families. We continue to serve the students and families of St. Louis during this unprecedented time.

We invite you to partner with us in supporting students' educational journey and the fulfillment of their dreams.

Look forward to hearing from you soon!

Sincerely,

Rosemary Hanley
