## Mentoring Promotes:

- Increased graduation rates
- Increased school attendance
- Better social skills
- Fewer discipline referrals
- Improved grades

## Being a SOAR Mentor

SOAR stands for SEEK, OWN, ADVOCATE and RISE. SOAR Mentors work directly with Riverview Gardens High School students to assist them in being successful in school and in planning for their future. All mentor applicants must pass a background check, be available to meet with students bi-weekly during school hours, and will receive comprehensive training.
