# *It's our 8th Annual Laura's Run 4 Kids!*

We are so excited to once again be talking about and planning our annual Laura's Run 4 Kids 5K and 1-Mile Fun Run! Each spring, this event brings together kids, families, businesses, and serious runners from across the region for a morning of fresh air, exercise, and community spirit. For everyone who calls St. Louis home, it's a time to unify behind a common purpose: the success of our kids.

Your sponsorship of Laura's Run 4 Kids helps ensure we can continue this annual tradition, which supports the daily work of The Little Bit Foundation in 54 under-resourced school communities from North County to South and across the river to East St. Louis. Every effort of Little Bit - from providing essentials to offering challenging learning experiences - is centered on empowering and equipping students to realize their full potential and dreams for the future. Our future as a community depends on it!

Through your support we also are able to cover the costs of students from our partner schools to participate, along with one adult. The involvement of our students was a MUST of Laura's from day one, and we are thrilled to keep this promise every year!

Thank you for consideration, and we hope to see you on May 10th in beautiful Tower Grove Park.
